CBS 11/25/75 10-11 w tup

Explore and report new information - Rather gives background
The use of FBI & LHO - "We tried to give examples where
Obama to conclude that the W.C was wrong" but media
"let us now review that evidence"
false representation of building report.
gives view of LHO shooting witnesses to point to
a lawyer to help as W.C. report
Video #10 - agent re typical critics. No
others mentioned here
This how uses LHO one gunman en
shows left & only shot & hits Tuck by end
as "two of the most respected critics"
Conclusion upon W.C - could LHO have done the shooting in
LHO's allowed? use of 2. 1st between 210+225
LHO's marksmanship in marines
this old film of research at speed target straight
Tuck
Claimed was testing that W.C doesn't rely to actual
results - Tuck not fired - a complete shell of their
shooters with that of LHO
Single-bullet theory
use old Tuck judges on head shot from front. Then
gruesome & this with both as result of "theories"
Hill - head shot from front & particles going to front
Stephen Johns - tell pictured Newsweek in on fatal second or frame.
CBS film - all shots came from behind

Weston says all shots fr behind - asked only abt & refers
only to skull which CBS claims its own proof and
discovery

2)

Belin to clean he had to single bullet theory because had only
Exs. 220-240 in JBC to be hit. use 6th) pilot in Tink on when
man hit. the 2 suggests unseen factor.
Then use of Olivier to say possible presence of low velocity in
JFK's neck & in JBC
Test does not refer to all one bullet has to be one not being
duplicated in CBS test.
"Our judgment" possible
Weight. Thorpe seems that from different JBD wounds
but went through neck
"slight downward trajectory" & "enlarged from the
prior neck
Weston & CBS say nobody knows exact position Price & JBC's
bodies.
Use Lattimer's chart & Weston say both
-Cincinnati Calls Skutch "certified" as medical
fact Skutch. No ref to fragmentation in body -
Rec'd by today only
All what es to Bonaparte order what was not done
single bullet" simply garnish settled one way in
the "bone" bone "Robert known today
Mc Cloy - LHO & other come to him for U.N.: In "arms"
with "tall fellow with a mustache" - Loreta
Oswald in 4 savage & rifles with scopes
Says he lied in did he know Baird. Mem mail also positive
but "didn't want to get involved" - Lattimer
"Oswald's past was full of odd connections" - Armstrong
right to secrecy
Mc C & Rose both ~~resistant~~ hesitate in ourselves"
The medical part is deliberate fraud deliberate lies &
what was known to & reported by CBS
